

Smithdown Primary School PE and School Sport Funding Grant 2016-17

The government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum has been made available since 2013. In our school this amounts to £8856 for 2016/7 (The school will receive a payment of £5166 on 29th October 2016 and will receive a further payment of £3690 in April 2017).

At Smithdown Primary School we believe that sport makes an important contribution to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with high academic standards. We have used the Sport Funding to purchase the bronze membership of the Liverpool Schools Sports Partnership, which alongside our own school actions has enabled us to strengthen and improve our provision in the following ways:
