Reception Classes Campfire

Reception classes parents came in for a fantastic family event. As well as enjoying s'mores, Mrs Naylor led singing around the campfire.

It was so exciting, so happy seeing campfire, enjoyed with my son, thank you for the lovely time.

Great fun, really enjoyed the singing, well organised and safe.

Thank you to all the children in Year 1 who made these amazing models of Liverpool Buildings during the school holidays. Children used these to create a giant 3D map of our local area.

Year 5 had a great day at Liverpool Hope University, with lots of hands on scientific investigations and opportunities to think scientifically. They also went to the careers fair at St Francis of Assisi school which gave them ideas and aspirations for the future.
