## Message from the Headteacher.

It was great to see so many families at our Maths Enterprise Fair last week. As it was World Maths Day, children took part in a wide variety of activities throughout the day, culminating in the fair at the end of the day. It was very competitive as each class tried to make the most money from their initial £5.

Well done to Nursery, the overall winners and to the whole school for raising £336.69. Nursery children will now look at each classes ideas how to spend the money and make the final

On **Friday 23rd March**, we will be raising money for Sports Relief. On that day, children can come to school in sports clothes for a suggested donation of £1.00.

During the day they will take part in fun sporting activities as well as learning about the work of the charity.

## Year 6 Football

Well done to our Year 6 football team. In this weeks tournament, they came 2nd in their group.

Again, they represented the school brilliantly, with another school recognising their excellent behaviour, good sportsmanship and manners.

## ATTENDANCE NEWS

Nursery am: 82%

Nursery pm: 86%

RLMc: 91%

RLK: 88%

Year 1 GH: 93%

Year 1SW: 90%

Year 2AG: 92%

Year 2 LA: 93%

## Nursery Stay and Learn

## E-Safety

This half-term we are focusing on different types of technology and how to ensure you and your child can stay safe on different tech.

**Smartphones:** Talk with your child about safe and responsible smartphone use and agree a set of family rules. Perhaps you could agree rules with your child about not meeting up with people they have only met online, how much they are allowed to spend on apps, what websites it's okay and not okay to visit, and whether yours/their phone should be switched off at night. Remember that smartphones connect to the internet, so the same advice and rules for keeping safe online apply.
