

Message from the Headteacher

Following their success with recycling general waste and then milk bottles, School Council has turned their attention to the amount of felt-tip pens we throw away. Having found a company to recycle them, they made collection boxes for each class and will be collecting them for recycling each term. I am very proud of their commitment to improving the world in which we live.

Remembrance Day

Thank you to everybody who made a donation towards the poppy appeal.

On Friday, Year 6 told the whole school all about Armistice Day and shared some startling facts about World War I. Across the school, classes have been learning about why we wear poppies and why we remember those who have died during conflict.
