Message from the Head Teacher

I am so glad to be back writing this newsletter and sharing some of the great things happening in school this week. To have school open to all children is a relief and the staff and I have loved seeing all the children back; happy and learning.

One thing I would like to ask is if you could be considerate of our neighbours when bringing and collecting children. Several times this week, I have dealt with neighbours upset that cars were parked over their driveways. Please park considerately so our neighbours can get in and out easily.

What if we have to close a 'bubble.'

As you know, we have put in place numerous changes to keep school as safe as possible. One of these is that each year group is a 'bubble' and does not mix or share equipment with any other year group. This is to limit contact, so, in the event of a child or staff member testing positive for Covid-19, a limited number of our community will have been exposed.

If there is a positive test from somebody in a 'bubble', the whole bubble will be asked to isolate at home for 14 days to prevent any spread of infection. It is essential that school has an up to date telephone number where we can contact you—if you have changed your number, please let us know.

We will then start home learning, until children can return.

This week, your child will bring home their See Saw login to access home learning.

Please keep this somewhere safe so your child can access home learning straight away in the event of having to isolate .

If you do not have any internet access, please speak to your child's class teacher so alternative arrangements can be made.

Have we got your correct phone number?

Welcome to our new Reception Classes

Our new children have settled in brilliantly and are already learning new things and having fun.

Please wear a face covering on the playground. If you are unable to wear one for medical reasons, we will bring your child to you at the gate.

A Brilliant Start to the School Year!
