

Message from the Head Teacher

Another busy week. Thank you to all the parents/ carers of children in Year 2GH who collected children quickly when we had to close the class. It is never a decision we take lightly but we have to act on the advice of Public Health England.

Please remember, that if we do have to close a class, all children have a Seesaw login and children should be working at home each day. We also provide paper learning packs if you would prefer them. If your child does have to self-isolate, we will text you about picking them up.

There are also lots of useful links on our website
