

Message from the Headteacher

What a fabulous day! We have been thrilled to have the school full of children once again.

I would like to thank all parents and carers for all their hard work during the most recent lockdown. Whether children were at home or in school, I understand it has been a challenging time for everyone. I would like to reassure you that we know the children have continued to learn, whether this is completing online learning, learning a new skill at home or through extra knowledge gained chatting with family.

Now children have returned, staff will endeavour to help them settle back into school and continue their love of learning. We have planned many exciting learning opportunities together with support for children's pastoral care and mental well-being. If, over the coming weeks you are worried about your child, please do speak to us so we can offer any help needed.

I must also thank all the school staff who have continued to provide both online and in school learning. I am incredibly proud of how quickly they changed their way of working and of the innovative and engaging learning they have provided throughout. All staff have also worked tirelessly to ensure school was ready for wider opening today—ask your children about the new displays, newly decorated classrooms and building work that has been going on.

Congratulations to Mrs Kelly and her husband Liam. Her beautiful baby girl, Thea, was born at the beginning of February.

All are doing well and as you can see, Thea is absolutely gorgeous.

Congratulations to Mr Ma and his wife Sophia. This lovely little boy was only born on Saturday.

Baby George is doing well and just gorgeous.
