Message from the Head Teacher

A big welcome back to all our community and a special welcome to our new families. It has been an extremely busy start to the school year and it is a pleasure to see so many happy faces.

As you will have noticed, we have been busy over the Summer holidays with our KS1 and Early Years outdoor space transformed. How lucky that we had good weather for the children to enjoy this fantastic space. Inside, walls have been moved to create additional classroom and small group space which looks fantastic.

Finally, work to improve our library and create a calm indoor space that can be used at lunchtimes continues. You may have noticed the large windows on the far side of the KS1 playground that will become gorgeous window seats. The carpeted area has been extended and we'll soon have additional comfy seating as well as our fabulous range of books. We can't wait until it's finished.

Homework

As we all became used to home learning, many parents asked if homework could also be posted online. With this in mind, children will bring home their new Seesaw or Google Classroom login this week.

Please keep this somewhere safe or take a photo with your phone.

If you do not have any internet access, please speak to your child's class teacher so alternative arrangements can be made.

Birthday Celebrations

We know how important birthday celebrations are to our children and will always make sure they feel special on the day. However, we ask that you do not bring any cakes/party bags etc. into school.

A fantastic start to the school year. 👍
