

Message from the Headteacher

Well, it's been a busy start to the term and unfortunately we have children isolating due to several Covid-19 cases.

In order to prevent the spread of the virus, please ensure if your child has a high temperature, a cough or a loss of taste that you keep them at home and organise a PCR test as soon as possible.

By doing this, we can prevent further children and their families catching the virus or having to isolate because of cases in their class bubble.

A number of children have had positive tests despite having no symptoms so it's really important to test your child if their bubble has been sent home to prevent them passing on the virus unknowingly.

Playground Improvements

Work has started on the Nursery Outdoor Area and shortly after, work will begin on the Reception outdoor area and the KS1 playground.

It is exciting but messy. Please make sure you keep an eye on your children at the end of the day to ensure they stay away from the building works.
