## Message from the Head Teacher

Thank you for all your kind messages regarding our recent Ofsted inspection. It has been very difficult to keep the outcome to myself and I was thrilled to share the result with you.

As I'm sure you are aware, for any school to achieve the outstanding grading is very rare and it is a reflection of the hard work of all members of our community.

I would like to thank all staff, children, governors and parents and carers who have supported myself and the school to be the best we can be. We strive to do the best for the children and our community and it was fabulous to have this recognised by the inspection team.

School has continued as normal since the inspection, with the children at the heart of all we do and we will continue to be the best we can be.

## Remembrance Day

As children learn about Remembrance Day this week, we will be selling poppies on the playground from Tuesday morning.

Funds raised go to support the families of people injured or killed in conflict.

This year marks 100 years since the nation's collective Remembrance traditions were first brought together.

Year 2 had a great time working with Liverpool Sports Partnership last week.

They enjoyed learning Mat Ball and had a great time, despite the weather.

## Children in Need 2021

Friday November 19th is Children in Need Day. Children can come to school in pyjamas, their own clothes (or of course uniform) and we will be collecting donations.

This years theme is 'Together we Can,' and we will be working with the children to emphasise how we can all work together to make a difference.
