

Message from the Head Teacher

Thank you for all your contributions to this years Remembrance Day Poppy Appeal. As you can see, children across the school have been learning about this important charitable trust.

This week, we will be joining in Children in Need fundraising with children dressing up and donating to the charity as well as numerous activities in classes. Their theme this year is 'Together we Can' and this fits perfectly with our school motto which stresses the importance of community and how we can all work together and help each other.

I'm looking forward to a fun day—although I'm not sure I will wear my pyjamas to school, perhaps just my own clothes!

Children in Need 2021

Friday November 19th is Children in Need Day. Children can come to school in pyjamas, their own clothes (or of course uniform) and we will be collecting donations.

This years theme is 'Together we Can,' and we will be working with the children to emphasise how we can all work together to make a difference.

Year 4 have been enjoying learning sign language and are now great at using sign language to accompany songs as well as knowing key signs they could use everyday. If you would like to have a go they have their own youtube channel
