

Message from the Head Teacher

This term we are trialling virtual parents/carers meetings. We hope this will be an efficient way to chat with your child's teacher about the progress they are making. Those of you with older children in secondary schools will be used to this already.

Of course, you will want to see some of the wonderful work they have done, so over the next few weeks class teachers will write to you, inviting you to come and take part in an activity with your child in school whilst also offering the opportunity to look at their books.

If you're unsure of anything, please ask the class teacher at the end of the day.

Never too young to start learning.

This week, Baby Book Club made books together, preserving precious memories. Parents and Toddler group made cards together and enjoyed playing in the sunshine.

Reception Classes Mother's Day Assembly

Reception children's parents and carers were treated to an emotional assembly last week.

Children shared a story as well as some gorgeous messages to loved ones.

Smithdown's Mental Health Week focussed on supporting children to recognise how they are feeling and develop strategies to improve their mood and resilience.

On Friday, every child planted a sunflower seed and took it home to nurture, just like they need to nurture themselves.

Sunflowers were chosen as it is the national flower of Ukraine and this is one way children can show support.
