

## Message from the Head Teacher

This week, our Year 6 and Year 2 children will be taking part in their SATs. Before they begin, I would like to say how proud I am of all the children for the effort they have made to ensure they are ready. After two years of disrupted schooling (this is the first uninterrupted year Year 2 have ever had!), they have been focussed and hard working. I would also like to thank the staff who have made such strong efforts to ensure the children are ready for their SATs by teaching them so well this year whilst ensuring the children feel happy and settled.

## Jubilee Celebrations

As part of our Platinum Jubilee Celebrations Week, we will be having a family picnic on 27th May. Parents/Carers are invited to join us from 12.30pm.

We will also have a shared food table if you would like to bring along a dish to share with the rest of our community.

## Liverpool Council Public Consultation

Liverpool council are hosting a consultation on how they can shape & improve neighbourhoods with a smarter, greener & more inclusive public realm, like this on Princes Ave/Rd in Toxteth.

Consultation ends 20 May. Copy this link to take part.
