

Message from the Head Teacher

As the Head Teacher, I am privileged to see good work and excellent behaviour every day. However, it is always lovely to hear it from a member of the public. On Friday, after a week of SATs, Year 6 had a trip to Calderstones Park. Following the visit, it was lovely to hear from a member of the public who was also in the park. She commented that she was blown away by the behaviour of all the children and said how polite they all were when queueing for ice-creams.

This happens so often when our children are out of school and I would like to thank our staff, the children and you as parents and carers for all your efforts ensuring children are a credit to both themselves and the school.

Spotlight on Nursery

Chopping potatoes to make 'cloud fluff' (mashed potato and then tasting it).

Chopping tomatoes to make tomato soup.

Using fruit and vegetables to create art in the style of artist Guiseppe Arcimondo.

Just some of the activities in Nursery last week.

Year 5TS visited Farm Urban last week (5NA are going on Tuesday). This was part of their Produce Pod project and encourages fighting food waste.

Children have been growing food indoors, without soil and using recycled water. They're finding ways to ensure food production is sustainable.
