

## Message from the Head Teacher

As you will see from the back of this newsletter, last week was a lot of fun for children and staff. I promised a celebration for our 'Outstanding' Ofsted grade back in September and wanted to wait until the better weather to ensure we could give the children something completely different.

I would like to take this opportunity to thank all staff who have continued to work as hard as ever all year to ensure we continue to offer outstanding education and pastoral support to all our children.

## Be at School on Time

On one day alone, last week, 36 children arrived late for school.

Lessons start at 8.55am and children should be coming in before then to ensure they are settled and ready—gates open at 8.45am.

If you would like to speak to a teacher, please see them at the end of the day as in the mornings, they are greeting the children and starting lessons.

However, you can always pass any messages thorough the adults on the gate.

## Year 5 meet Amal

Year 5 were lucky to meet Amal at the Royal Albert Dock last week as she was welcomed to the city after her journey from Syria.

They worked with Everton in the Community and Tate Liverpool to write postcards supporting well-being.

Several members of the public made a point of telling staff how well behaved our children were.
