# *'Together We Grow'*

## **Our Key Values**

Our school motto is 'Together we Grow', through **Courage, Friendship, Equality, Respect and Thoughtfulness**

We ensure that every child has access to a broad, balanced and supportive curriculum. Through this we are able to give our pupils a range of opportunities and experiences to grow and develop academically, physically socially and morally.

## **Our School Vision**

At Smithdown Primary School we aim high. We want every part of our school community- pupils, parents and members of staff to experience success. Smithdown Primary School will work with everyone to create a happy, safe and stimulating setting where children are motivated to learn together. By maintaining high expectations of ourselves and each other, our children will be equipped to encounter opportunities and challenges with resilience and determination. We encourage a curiosity about the world and strive to ensure that our children will contribute positively, now and in the future.

## **Community Primary Schools' Admission Policy for Reception Class**

Smithdown Primary School will follow the coordinated admission arrangements determined by Liverpool Local Authority.

If the school is not over-subscribed all children who apply will be admitted.

The Government's infant class size legislation limits the number of pupils in infant classes (Reception, Year 1 and Year 2) to 30 pupils per class which the school and the Governors adhere to.

Children with a Statement of Special Educational Needs (Educational Health Care Assessment), where the school is named in the statement will be admitted if the school can meet their needs

A request for a place or attending a nursery attached to the school does not guarantee admission if the school is over-subscribed and the priorities below will be adhered to

Where requests for places exceed the admission number, children will be allocated places in the following priority order:

### **Priority 1**

Looked After Children (LAC) in the care of the local authority.

Children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order)

### **Priority 2**

Children with exceptional medical / social needs. (See Definitions)

Applicants wishing to be considered under this criterion should submit documentary evidence with the preference form by the closing date. Senior Council Officers will review the evidence and if necessary take advice from educational professionals, the Local Authority's medical officer, social workers etc. If your circumstances change after the closing date or you require further advice or assistance please contact Liverpool Direct Limited.

### **Priority 3**

Children who will have a sibling (See Definitions) in the school.

### **Priority 4**

All other applicants who have expressed a preference for the school.

In priorities 1 to 4, if there are more applicants than there are places available, **distance** from the child's permanent home address to the main entrance of the school will be used to determine which children are admitted.

In all cases where distance from home to school is used to determine admission, those children living nearest to the school will be given preference. The distance will be measured by straight line distance between the child's permanent home address and the school using the local authority's computerised measuring system.

If Smithdown is oversubscribed you will be required to provide proof of address e.g. council tax bill, utility bill, tenancy agreement, exchange of contracts if the property has recently been purchased.

If two or more children live the same distance from the school and there is only one place available, random allocation will be used to decide which child is admitted.

### **Important Information**

For children of UK service personnel (UK Armed Forces) Liverpool LA will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address when considering the application against the oversubscription criteria.

Waiting lists for oversubscribed Community Schools will be drawn up in accordance with the admission policy. This will be operated until the end of Autumn term.

The issue of a statement of Special Educational Needs may override the offer of a school place under the Local Authority's admission policy or may result in the withdrawal of the offer of a school place. This is because the school or schools to which parents apply may not be able to cope with the child's individual needs. Parents will be consulted about a school placement via the statement procedure.

The three schools you name on the online application or paper preference form for Reception class entry will be treated equally. The preference order will only be used if your child fulfils the admission criteria for more than one of the schools you have expressed a preference for. If this is the case your child will be allocated a place at the school you placed as the highest preference.

If it is not possible to allocate your child a place in one of your preferred schools, Liverpool Local Authority will allocate a place at the school closest to your home address which has places available at the time of allocation. Please note that places can only be allocated at a school if there are places available at the time of allocation. You will also be sent a list of schools that have vacancies and advised about your right to appeal to an Independent Appeal Panel.

## **Applying for an In-Year Transfer**

An In Year Application (IYA) is when as parents you can apply to transfer your child/children from one primary school to another primary school during the school year.

Parents making an in year application to Smithdown Primary School must contact the school directly to make an application.

The school will determine applications and a decision will be made to offer/refuse a place in accordance with the school admission policy and school admissions code.

For IYA the school will follow the same policy and code of practise as parents applying for a child's Reception place (see priority criteria above).

The school will contact parents to let them know the outcome of their application.

The school will communicate on a termly basis the number of In Year Applications received, offered and refused to Liverpool local authority.

Liverpool local authority will act as an information point for parents regarding general In Year Application enquiries.

## **Application Forms**

The school requires parents to complete their own school application form. This form will be used by the school when they decide upon In Year Applications. Assistance will always be offered to parents to help access and complete the form.

## **Schools Determining Applications**

The admitting authority for Smithdown Primary School is the local authority. There is no longer a requirement for In Year Applications to be co-ordinated by the local authority, however the local authority will determine admissions in the event there are any exceptional circumstances surrounding an In Year Application to the school.

If the governing body refuse to admit a child they will include an explanation of their decision e.g. the year group is full. The reasons for refusing admission must be in line with the School Admissions Code. In the decision letter the governing body has to give the reason for refusing admission to the parents and advise them about their right to appeal against the decision to an independent appeal panel.

If the year group is full applicants will usually be refused admission and if parents wish their child's name is added to the waiting list and are to be offered the right of appeal.

If there are more applicants for places than there are places in a year group the school's IYA admission policy will be used to decide which children are admitted.

## **Schools Refusing Admission to a Child**

The Code requires that, as far as possible, admitting authorities have to comply with parental preference for a school place. Usually a place can only be refused if the appropriate year group is full.

In exceptional circumstances of the Code (Paragraph 3.12 Local Authority Admissions Arrangements) allows schools to refuse to admit children with challenging behaviour.

## **Allocating Places in Schools**

A place will be offered as soon as possible after the school has agreed to admit the child. As far as possible children will start in the term in which they apply. However, if applicants apply at the end of term, it may not be possible to offer a place until the beginning of the next term.

## **Applications arrangements**

The school will write to parents to inform them of the outcome of their application.

If a child is refused a place the decision letter sent by Smithdown Primary will advise parents why their child has not been admitted and inform them of their right to appeal to an independent appeal panel. The letter will have the relevant contact details if parents require further assistance.

The decision letter will require parents to accept/decline the school place offered within 10 school days.

The school will notify the local authority of the outcome of the application.
